PROFESSIONAL AFFILIATE MEMBERSHIP—\$250

WHAT IS A PROFESSIONAL AFFILIATE?

A Professional Affiliate is someone who is in a related profession and/or trade, but not holding an architectural degree nor on track for licensure. Local membership provides Professional Affiliate Members access to a large and active network of AIA Member architects, interns, students, and affiliate professionals in the building industry, thereby increasing your visibility throughout the region.

Professional Affiliates are members at the local level only. Registered architects and degreed associates may not hold Professional Affiliate Membership and must join the AIA as an Architect or Associate Member. Membership is for a period of one year and begins upon receipt and acceptance of payment.
